

REMARKS

In view of the above amendments and the following remarks, reconsideration is requested.

The specification has been carefully reviewed and a number of editorial amendments have been made without adding any new matter.

Figs. 16-19 are amended herein by including the legend "Prior Art." Replacement Figs. 16-19 with such changes are submitted herewith.

Claims 1-15 were rejected under 35 USC § 112, second paragraph, as being indefinite because of the use of the letters "PN." Also, the Examiner indicated that claims 1-15 would be allowable if rewritten or amended to overcome the rejections under 35 USC § 112, second paragraph. Accordingly, the claims have been amended to remove the letters "PN." Accordingly, it is submitted that claims 1-15 are allowable over the prior art of record.

In view of the above amendments and remarks, it is submitted that the present application is in condition for allowance.

The Examiner is invited to contact the undersigned by telephone to resolve any remaining issues.

Respectfully submitted,

Hideo MATSUSHIRO et al.
